

The 2026 Founder's Bulletproof Compliance Checklist

7 Critical Steps to Launch and Scale in India Without Legal
Hurdles.

PRESENTED BY GLOBATON MANAGEMENT ADVISORS | SIMPLIFYING BUSINESS

Step 1: The Foundation

Setting up for scale, not just for today.

Entity Selection

Private Limited (VC/Scale) vs. LLP (Tax Efficiency).

DSC & DIN Allocation

Digital Signatures & Director IDs for all founders.

MOA & AOA Drafting

Professional object clauses to prevent future legal pivots.

Step 2: Tax & IP Shield

Protecting your cash flow and identity.

GST Registration

Mandatory for inter-state sales and input tax credits.

MSME / Udyam

Unlock government subsidies and credit protections.

Trademark Filing

Secure your brand name and logo from day one.

Step 3: Annual Governance

Staying 'Investor-Ready' throughout the year.

Auditor Appointment

Must be appointed within 30 days of incorporation.

ROC Filings (AOC-4/MGT-7)

Avoid the ₹100/day penalty for late filings.

Income Tax Returns

Strategic tax planning for the 2026 economic landscape.

Don't Let Compliance Slow You Down.

You build the business; we build the shield.

One wrong filing can cost more than a year of consulting. Get it right the first time.
